KAZAKHSTAN, THE LEADING MARKET IN CENTRAL ASIA

Bakery expo Kazakhstan is the most important meeting place in Central Asia, bringing together professionals from the confectionery and bakery industries. Showcasing the latest technologies and brands, the show provides an exchange of information for industry experts. It offers the opportunity to bring together under one roof decision makers from many sectors such as machinery and equipment, food processing and packaging technologies, from confectioners to restaurant owners, hotel professionals and food suppliers.
